

Welcome to the new season 2018-2019

As a Club we are pleased that you have joined, or indeed, returned to us for the coming season.

In order to provide a rewarding, pleasurable and safe experience there are some matters which we wish to draw to your attention.

Firstly, all under 18 participants in any Club activities must have a registration form completed by a parent or carer. Forms are available from Club officials or may be downloaded from the Club website. Completed forms should then be returned either to the issuer or by post to the Club Membership Secretary. (John Hayward, 151 Broadway North, Walsall. WS1 2QB. [Tel: 07757637005](tel:07757637005))

It is parent's responsibility to ensure that participants in games and Junior Training have shin pads, gum shield (recommended) and the appropriate fee for the activity. Parents should make themselves aware of pick up times/ arrangements following activities in order to ensure their child's safe return home. Please ensure also for each activity where the parent or carer is not remaining for the activity your child carries an emergency contact number appropriate for that day.

An annual subscription of £50 is payable for all U.18's who engage in Club matches for our adult teams. This needs to be paid by 31st October 2018 to team Captains. Monthly payments by standing order are available at £4:20 per month. (Payment or the establishment of a standing order by the end of September will earn a 10% cash discount)

(Bank details: Aldridge-Walsall H.C. Sort Code: 40-08-14 Acc.No.: 41465244)

Junior training on Sundays (10-11.30) does not require an Annual Subscription just the £3 for the session. (Increased this season after many years due to higher pitch costs)

If there are any matters parents wish to discuss please ask Team Captains, Junior training leaders or any appropriate Club Officer. Full details of Club Officers are available on the Club Website alongside lots of other information please use it.

Parents would be most welcome at Club social events. Visit the website regularly to keep in touch.

We hope you and your young player enjoy the coming season.

Aldridge-Walsall Hockey Club.
